IMPORTANT INFORMATION FOR

 **Pregnant Visitors** 

## PREGNANT WOMEN

Please **AVOID CONTACT** with **SHEEP** that are due to lamb or have recently lambed to protect your health and your unborn baby.

- 🐑 Sheep due to give birth, or with newborn lambs, can carry infections (toxoplasmosis, chlamydia, listeria) that may be harmful during pregnancy.

Please speak to a member of staff if you have any concerns, and we will ensure your visit is safe and enjoyable. ❤️

Thank you for helping us take care of both our visitors and animals! 🌸
